

PRISMA STUDY

**WE ARE ENROLLING CHILDREN AND ADULTS WITH AUTISM
OR OTHER NEURODEVELOPMENTAL CONDITIONS WHO HAVE
HAD DIAGNOSTIC GENETIC TESTING THAT SHOWED AN
ABNORMAL (ALSO CALLED PATHOGENIC) RESULT INTO A
RESEARCH STUDY TO UNDERSTAND HOW GENETICS CAN
IMPACT THEIR HEALTHCARE**

To participate, contact Dr. Daniel Moreno De Luca or the
PRISMA research staff at prisma@lifespan.org or 401 432 1583

Bradley Hospital
Lifespan. Delivering health with care.®
